Conformity with electrical and electronic equipment substances regulation
SEMIKRON declares that its products are in compliance by meeting the requirements defined under Directive 2011/65/EU (RoHS 2) and delegated Directive 2015/863/EU and (EG) Nr. 1907/2006 (REACH) of the European Parliament. Please be aware that relevant exemptions listed in Annex III / IV of EU RoHS and/or specific conditions for customer specific products might apply.

### IMPORTANT INFORMATION AND WARNINGS

All statements hereunder are based on present knowledge and are provided ‘as is’. The product weight may vary up to 10%. Semikron provides full material declaration based on information provided by third parties and has taken and continues to take reasonable steps to provide representative and accurate information. However, no representation or warranty is given and no liability is assumed with respect to the accuracy or use of such information, including without limitation, warranties of non-infringement of intellectual property rights of any third party, SEMIKRON and SEMIKRON suppliers consider certain information to be proprietary, and thus CAS numbers and other limited information may not be available for release. The specifications of SEMIKRON products may not be considered as guarantee or assurance of product characteristics (“Beschaffenheitsgarantie”). The specifications of SEMIKRON products describe only the usual characteristics of products to be expected in typical applications, which may still vary depending on the specific application. Therefore, products must be tested for the respective application in advance. Application adjustments may be necessary. The user of SEMIKRON products is responsible for the safety of their applications embedding SEMIKRON products and must take adequate safety measures to prevent the applications from causing a physical injury, fire or other problem if any of SEMIKRON products become faulty. The user is responsible to make sure that the application design is compliant with all applicable laws, regulations, norms and standards. Except as otherwise explicitly approved by SEMIKRON in a written document signed by authorized representatives of SEMIKRON, SEMIKRON products may not be used in any applications where a failure of the product or any consequences of the use thereof can reasonably be expected to result in personal injury. SEMIKRON does not assume any liability arising out of the applications or use of any product; neither does it convey any license under its patent rights, copyrights, trade secrets or other intellectual property rights, nor the rights of others. SEMIKRON makes no representation or warranty of non-infringement or alleged non-infringement of intellectual property rights of any third party which may arise from applications. Due to technical requirements our products may contain dangerous substances. For information on the types in question please contact the nearest SEMIKRON sales office. This document supersedes and replaces all information previously supplied and may be superseded by updates. SEMIKRON reserves the right to make changes.
